Vážení přátelia fotografie

V dnešnej dobe sa fotografia stala neoddeliteľnou súčasťou každodenného života. Vytvárať fotografické zábery dnes už môže prakticky každý pomocou širokej škály fotografických prístrojov, od profesionálnych zrkadloviek až po smartfóny, pričom niekto to robí s premysleným tvorivým cieľom, kým iný ako náhodný dokument. Dôležitý je však nakoniec výsledný fotografický obraz a jeho pôsobenie na diváka.

Aj 39. ročníku salóna STROM boli zastúpené fotografie so širokým spektrom tém a námetov, a to v každom z jeho štyroch tematických okruhov. Porota preto mala veľmi náročnú úlohu vybrať to najlepšie z veľkého množstva fotografií najrôznejšieho zamerania, obrazovej kvality a umeleckého pôsobenia. Celkovo 223 autorov zaslalo 3259 fotografií. Výsledkom starostlivej práce poroty je súbor fotografií vybraných do katalógu a na výstavu.

Autorom, ktorých fotografie boli vybrané alebo ocenené, v mene poroty a organizátorov gratulujem. Všetkým autorom prajem do ďalšej tvorby veľa dobrých nápadov, fotografických príležitostí a tvorivého nadšenia.

Organizátorom vyslovujem uznanie a poďakovanie za starostlivú prípravu salóna a prajem aby salón STROM pokračoval ďalšími úspešnými ročníkmi.

Zdeněk Kostka, EFIAP - predseda poroty

Dear friends of photography

Nowadays, photography has become an integral part of everyday life. Today, almost everyone can create photographic images using a wide range of photographic equipment, from professional cameras to smartphones, some them with a deliberate creative goal, while others as a random document. Ultimately, however, the resulting photographic image and its impression on the viewer are important.

The photographs sent to the 39th year of the STROM salon represent a wide range of themes and subjects also, in each of its four thematic sections. The jury therefore had a very difficult task to choose the best from a large number of photographs of various scope, image quality and artistic effectiveness. A total of 223 authors sent 3259 photos to the salon. The collection of photographs selected for the catalogue and for the exhibition is the result of the careful work of the jury.

On behalf of the jury and the organizers, I congratulate the authors whose photos were selected or awarded. I wish all authors many good ideas, photographic opportunities and creative enthusiasm in their future work.

I express my appreciation and thanks to the organizers for the careful preparation of the salon and I wish that the STROM salon continues with further successful years.
